Shepherding young women on the path of purity, sexuality and chastity is a sacred role entrusted to parents. Mothers especially yearn for effective strategies and answers.

Based on the book *Woman in Love* by Katie Hartfiel, the Mother Daughter retreat helps you deliver God's remarkable good news about sexuality. Through videos and discussion, Katie Hartfiel leads mothers and daughters on a journey that weaves engaging talks with powerful prayer and extraordinary fun to create an experience of a lifetime!

***For girls in grades 7-12
and their mothers!**

The Woman in Love retreat is based on Katie Hartfiel's book *Woman in Love*.

The night before her wedding, Katie knew the next time she saw her Husband-To-Be, he would be standing at the end of a long aisle. The rehearsal dinner was over, and the bride and groom stole a few moments together, their last before they became one. Katie handed Mark a gift she had been preparing for him since high school, a binder of letters to her future spouse. The pages within revealed the secrets of love that began years before the couple had ever laid eyes on one another.

In *Woman in Love*, Katie will teach you how to write letters to your Husband-To-Be as you dive into a life of prayer asking for his sanctification. Become spiritually united with your future spouse as you prepare to fall in love with him in the future. Discover the pathway to your own love story.
