

## FILM RATINGS

Following is a list of recent films the Office for Film & Broadcasting of the U.S. Conference of Catholic Bishops has rated on the basis of moral suitability.

USCCB Office for Film & Broadcasting classifications: A-I – general patronage; A-II – adults and adolescents; A-III – adults; A-IV – adults, with reservations (this indicates films that, while not morally offensive in themselves, are not for casual viewing because they require some analysis and explanation in order to avoid false impressions and interpretations); L – limited adult audience, films whose problematic content many adults would find troubling; O- morally offensive.

Motion Picture Association of America ratings: G – general audiences, all ages admitted; PG – parental guidance suggested, some material may not be suitable for children; PG-13 – parents are strongly cautioned. Some material may be inappropriate for children under 13; R – restricted, under 17 requires accompanying parent or adult guardian; NC-17 – no one 17 or under admitted.
